By AGA Past National President Jeff Hart, CGFM, CFE

Please obtain and send in your **registration by February 29<sup>th</sup>** or as soon as possible for AGA's 6th Annual multi-day National Community Service project in New Orleans **April 17-20, 2012**. Remember, no specific construction skills or experience is necessary. We will be trained and supervised by professionals from Habitat, and they will find a meaningful and appropriate task for everyone.

This year's Habitat work week is scheduled right after the New Orleans French Quarter Festival, April 12-15. So come for the festival if you like, have a relaxing day exploring the city on Monday April 16<sup>th</sup> (Habitat is closed Mondays), and then join us for one or more days building houses Tuesday-Friday. Check out festival details at <http://www.fqfi.org/frenchquarterfest/>.

We will seek lodging in the beautiful, new University of New Orleans dormitories (some rooms are actually two bedroom furnished apartments) with a rate of only about \$30/night/person. Please register ASAP especially if you'd like us to secure these inexpensive accommodations for you.

If you'd like to register, or would like additional details before deciding, please contact Jeff Hart at [jeffshart@comcast.net](mailto:jeffshart@comcast.net) or 303-907-4664.
