The Advancing Government Accountability (AGA) Montgomery/Prince George's County Chapter is the premier professional association dedicated to the advancement of government financial management.

The AGA supports the careers and professional development of government finance professionals working in federal, state, and local governments as well as the private sector and academia. Founded in 1950, AGA has a long history of being the thought leader for the government accountability profession.

For more information, visit our website at www.marylandaga.com.

Mission Statement

The Montgomery/Prince George's County Chapter serves professionals in the government financial management community by providing quality education, fostering professional development and certification, and supporting standards and research to advance government accountability in the Montgomery County and Prince George's County areas. The Chapter mission is to provide or sponsor appropriate educational programs, encourage professional development, influence governmental financial management policies and practices, and serve as an advocate for the profession.

Audience at one of our chapter workshops
